Passports & Visas - It is your responsibility to ensure that you have secured the correct travel documentation for each country you are visiting. Each passenger must check with the appropriate consulate of each country for exact visa & passport requirements. Passports must be valid for at least 6 months from the date of departure. Failure to secure the correct documentation may prevent you from boarding the plane or entering the country resulting in forfeiting the cost of your trip. We do not take responsibility for ensuring you have the correct travel documents. Additional responsibility, on the part of the passengers, must be taken to review all other travel restrictions/guidelines that may be in place, in the departing and arriving countries/states, including but not limited to quarantines and proof of health.
